URBAN DEVELOPMENT
LOK SABHA

UNSTARRED QUESTION NO:199
ANSWERED ON:16.11.2016
Smart Cities
Adityanath Shri Yogi;Adsul Shri Anandrao ;Baker Shri George;Chandel Kunwar Pushpendra Singh;Chavan Shri Ashok Shankarrao;Gaikwad Dr. Sunil Baliram;Gaikwad Prof. Ravindra Vishwanath;Gupta Shri Sudheer;Jayadevan Shri C. N.;Jayavardhan Dr. Jayakumar;Joshi Shri Pralhad Venkatesh;K. Shri Parasuraman;Kharge Shri Mallikarjun ;Kirtikar Shri Gajanan Chandrakant;Mahadik Shri Dhananjay Bhimrao;Mahato Shri Bidyut Baran;Nishank Dr. Ramesh Pokhriyal;Patil Shri Vijaysinh Mohite;Radhakrishnan Shri T.;Raut Shri Vinayak Bhaurao;Roy Prof. Saugata;S.R. Shri Vijay Kumar;Sampath Shri Anirudhan;Satav Shri Rajeev Shankarrao;Shinde Dr. Shrikant Eknath;Shrirang Shri Chandu Barne;Singh Shri Bharatendra;Singh Shri Kunwar Haribansh;Sule Smt. Supriya Sadanand

Will the Minister of URBAN DEVELOPMENT be pleased to state:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) the details of the norms formulated for certifying a city as smart city and the details of proposals received by the Government from various States for selection of cities to be developed as Smart Cites, State-wise;

(b) the details of cities selected so far, State-wise and the criteria for selection along with the time by which other cities are likely to be selected;

(c) the details of funds sanctioned, released and utilized for smart city Projects so far, city-wise and the funding pattern thereof;

(d) the details of projects taken up/likely to be taken up in selected cities, city-wise;

(e) the names of foreign countries which have shown interest in smart city projects along with the names of cities to which foreign assistance, is provided and the challenges being faced in the implementation of the projects and the steps taken/being taken to develop the smart cities in a time bound manner along with the time period for development of selected Smart Cities?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT
(RAO INDERJIT SINGH)

(a) :The objective of Smart Cities Mission is to promote cities that provide core infrastructure and give a decent quality of life to its citizens by application of 'Smart' Solutions. The core infrastructure elements in a Smart City would include: adequate water supply, assured electricity supply, sanitation (including solid waste management), affordable housing, especially for the poor, etc. The focus is on sustainable and inclusive development and the idea is to look at compact areas, create a replicable model which will act like a light house to other aspiring cities. It is meant to set examples that can be replicated both within and outside the Smart City.
In Stage 1, all States/UTs shortlisted potential Smart Cities as per the allocation and criteria given in the Smart Cities Mission Statement and Guidelines. On the basis of that, 98 potential Smart Cities were announced in August, 2015 to participate in Stage II. Further, on the basis of requests received from States, 11 new potential Smart Cities have also been included in May, 2016 to participate in All India Competition (Stage 2) of the Smart City Challenge Process.
In Round 1, 97 potential Smart Cities, in fast track round, 23 potential Smart Cities and in Round 2, 63 potential Smart Cities participated through their respective State/UT Governments. The details are enclosed at Annexure-I, II and III.

(b): So far 60 Smart Cities have been selected in Round 1, Fast-track Round and main Round 2 of Smart Cities Mission on the basis of evaluation done by a panel of national and international experts on the basis of two criteria i.e. (i) City Level Criteria, and (ii) Proposal Level Criteria. The list of 60 cities selected so far are enclosed at Annexure-IV, V & VI. The remaining cities will participate in Round 3 with their upgraded Smart City Proposals. Round 3 will start from 1st January 2017 and will end on 31st March 2017.

(c): The Mission is being operated as a Centrally Sponsored Scheme (CSS) and the Central Government proposes to give financial support to the Mission to the extent of Rs. 48,000 crore over five years i.e. on an average Rs. 100 crore per city per year. An equal amount, on a matching basis, will have to be contributed by the State / Urban Local Body (ULB). In the first year, Government of India will provide grant of Rs. 194 crore followed by Rs. 98 crore every year for the next three years. So far, total Rs. 4572.20 crore have been released to these Cities for development as Smart Cities under Smart Cities Mission during Financial Year 2015-16 and 2016-17. The city wise details are enclosed at Annexure-VII.

(d): The details of projects for the selected 60 smart cities are given in their Smart City Proposals (SCPs). These SCPs have been uploaded on the Mission's website (www.smartcities.gov.in).

(e): In terms of mutual understanding between the Ministry, States/UTs and Foreign Agencies, this Ministry is facilitating execution of Memoranda of Understanding (MoUs)/Agreements between Foreign Agencies and States/UTs for assistance under Smart Cities

Mission.Presently, following MoUs/Agreements have been executed between foreign agencies and States/UTs :-

<pre>
S.N. Name of Foreign Agency State/UT City Date of MoU/
Agreement
1. US Trade & Development Agency (USTDA) Andhra Pradesh
Uttar Pradesh
Rajasthan Visakhapatnam

Allahabad
Ajmer 25.01.2015
2. French Agency for Development (AFD) Maharashtra
Chandigarh
Puducherry Nagpur
Chandigarh
Oulgaret 24.01.2016
</pre>
Moreover, various countries namely, Spain, Canada, Germany, China, Singapore, UK, South Korea and Japan have also shown interest to participate in the development of Smart Cities.
The objective of the Smart City Mission is to promote cities that provide core infrastructure and give a decent quality of life to its citizens, a clean and sustainable environment and application of 'Smart' Solutions. The focus is on sustainable and inclusive development and the idea is to look at compact areas, create a replicable model which will act like a light house to other aspiring cities.

The focus is also on creating the institutional framework, and building capacity of municipal functionaries for implementation. Government is making all efforts to develop the Smart Cities in a time-bound manner within the Mission period.
